1 About this documentation

Editions of this documentation

Edition	Release date	Note
01	2025-11	Python Runtime App Version 4.4.1
02	2026-03	Python Runtime App Version 4.6.1

Further information

- See ➔ [Python Runtime App, Application Manual](#)

2 Important information

2.1 Information about our products

For the latest information on our products, go to ➔ <https://www.boschrexroth.com>.

For current security advisories, please refer to ➔ <https://psirt.bosch.com/security-advisories/>

3 Version 4.6.1

3.1 New functions

3.1.1 Feature 761187: Release notes can be found in the Motion app

Description

All extensions to the Python Runtime app are described in the Motion app release notes. Each new command also has a Python interface (in addition to PLC, Data Layer and Celix interfaces). The new commands are described in the release notes and the Motion app Application Manual. Bug fixes and known issues can also be found in the Motion app release notes, as they are not managed separately.

4 Version 4.4.1

4.1 New functions

4.1.1 Feature 761187: Release notes can be found in the Motion app

Description

All extensions to the Python Runtime app are described in the Motion app release notes. Each new command also has a Python interface (in addition to the PLC, Data Layer and Celix interfaces). The new commands are described in the release notes and the application manual of the Motion app. Bug fixes and known issues can also be found in the Motion app release notes, as they are not managed separately.

5 Service and support

Our worldwide service network provides an optimized and efficient support. Our experts provide you with advice and assistance. You can contact us **24/7**.

Service Germany

Our technology-oriented Competence Center in Lohr, Germany, is responsible for all your service-related queries for electric drive and controls.

Contact the **Service Hotline** and **Service Helpdesk** under:

Phone: **+49 9352 40 5060**

Fax: **+49 9352 18 4941**

Email: [↗ service.svc@boschrexroth.de](mailto:service.svc@boschrexroth.de)

Internet: [↗ http://www.boschrexroth.com](http://www.boschrexroth.com)

Additional information on service, repair (e.g. delivery addresses) and training can be found on our internet sites.

Service worldwide

Outside Germany, please contact your local service office first. For hotline numbers, refer to the sales office addresses on the internet.

Preparing information

To be able to help you more quickly and efficiently, please have the following information ready:

- Detailed description of malfunction and circumstances
- Type plate specifications of the affected products, in particular type codes and serial numbers
- Your contact data (phone and fax number as well as your e-mail address)
